We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in occupational and sleep medicine, pulmonary and primary care, OB/GYN and pediatrics.

**Made more than \$2 million in capital improvements**

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s healthcare needs. This year’s investments included an MRI software upgrade, opening the Medical Detox center, acquiring a new OB/GYN practice and a complete renovation of the skilled nursing facilities at both Winchester and Sewanee.

**Distributed a payroll of \$62,304,288 to approximately 800 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

**Donated nearly \$31.3 million in services to those in need**

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.
